## THE LIGHTHOUSE

Off the cliffs of Cape St. George in southern Australia are scattered remains of ships wrecked on the rocks. The cause of their catastrophe is a lighthouse.

Lighthouses are to guide ships and prevent maritime disasters. When the tower was built in 1857, seamen discovered a problem. It was not visible to the sea. The map drawn by the architect, Alexander Dawson, had “discrepancies so grave that it is impossible to decide whether position(s) marked on the map really exist.”

You could not navigate because the lighthouse was unreliable.

Many depend on what they consider “dependable voices.” They may be friends. Sometimes they are teachers. They are the human lighthouses people depend on showing them the way.

Hymenaeus and Alexander were like that. They listened to the wrong voice and followed a false light. Paul knew what happened.

By rejecting this (faith and a good conscience), some have made shipwreck of their faith. (1 Timothy 1:19).

Life is full of rocky shoals. Following the wrong direction and counsel leads to disaster. Before you listen to anyone (including those you trust), go back to the Bible. Let its clear light show you the way.

Today the Cape St George lighthouse is nothing more than the rubble of a sandstone tower illuminated by moonlight. Now it can cause no more disasters.

Which light do you follow to lead you in the right direction?

## 2019 Budget

This is budget time at Waterview.

Yesterday, the Budget Task Force met with the various ministries to hear their plans for 2019. They will work toward finalizing a budget proposal for 2019 and submit it to the elders for approval.

The new budget will be presented in January along with a town-hall style meeting in which you can ask any questions about the budget.

## CLOTHING Drive

Many students at Jackson Elementary have their clothing needs met by the school’s clothing closet. This closet is usually stocked by the faculty and staff, but as needs rise this winter we want to lend a hand! The items below can be dropped off at the collection box located in the foyer.

- Smaller clothes-sizes 4-6 (pants, shirts)
- Sweat shirts & pants-all sizes
- Long sleeve shirts-youth sizes 8-16
- Socks (new)
- Underwear (new)-smaller sizes 4-8

## GRIEF and The Holidays

Grieving the loss of a loved one can make the holiday season a difficult time - one we may even dread.

Larry Barber from GriefWorks will be with us on Sunday evening, December 16th, to bring his timely presentation on "Embracing the Holidays." Grief resources will be available, including information on upcoming adult grief support groups here at Waterview. We will enjoy fellowship and dinner afterward.

This event is open to the community, and invitation cards are available in the foyer to help you share with someone who could benefit.

**We will be providing a potluck meal that evening for all members and guests. Please sign-up in the foyer today to bring a dish to share.**

See Greg Parks if you have any questions.
