What do I need to do?

- ⇒ Complete a Waterview Medical Release Form. If you've already completed one and no info has changed then you are ok. The form can be found through www.waterview.org/youth
- ⇒ Complete the online registration. First, go to www.waterview.org/youth and look for the write-up about Camp Ichthus. Next, click the link for CAMPER registration which will take you to the Eventbrite site, where you will enter the info for all of your campers, and pay a deposit. Then pay the remaining balance to the church.
- ⇒ Your final balance may be paid with cash/checks (written to "Waterview church of Christ") and put in the box at the youth desk, or you can pay online! If you pay online you will need to go to www.waterview.org/youth and in that Ichthus information section there will be a special link for that online payment.
- ⇒ Expect to get more information a week or so before camp with a packing list and details on when to be where. Check-in for camp is between 3-5pm that Sunday and there will be a closing session Friday morning at 10am.
