

TREY CURINGTON MEMORIAL MISSIONS GRANT FUND

About Trey

The Fund was established in 2022 in memory of Trey Curington – a founding member of the Waterview Church of Christ Missions Committee in Richardson, TX. Raised in Athens, TX, Trey attended the University of North Texas where he studied German and European Relations and developed a love of travel while studying abroad in Germany. He was a dedicated member at Waterview for 28 years where he served as a deacon and elder. His fingerprints were left throughout many of the mission works Waterview supports today. It was Trey's time spent abroad and knack for mentorship that drove his passion and heart for evangelical mission work and young people.

ABOUT THE FUND

To encourage young Christian men and women to travel on mission trips or visit missionaries around the world. The energy and spirit that young people bring to the mission field is infectious, and this fund is established to help make these trips a reality by reducing the financial burden. Ideally, the missionaries receive encouragement and energy, while the young people gain valuable experience in evangelism, service, and leadership.
