More Info

We will go to the Impact church of Christ to work alongside them and a couple of other youth groups to put on a VBS for the children who live in the heart of Houston.

Our youth group will stay at a hotel during the week and there will be a few other service projects we will do. The main focus of our mission trip will be putting on the VBS by teaching and spending time with the children.

After registration closes and we get closer to the mission trip, you will receive a detailed packing list and important details about this mission trip.
