## **What do I need to do?**

⇒ Complete a Waterview Medical Release Form. If you already completed one and no info changed you are good. The form can be found through [www.waterview.org/youth](http://www.waterview.org/youth)

⇒ Complete the 2-step registration by...

**#1** =Go to [www.waterview.org/youth](http://www.waterview.org/youth) and look for the Camp Ichthus write up. In that Ichthus section you will see a link that says "To register a CAMPER click here" which will take you to Eventbrite where you will enter the camper(s) information and pay their \$20 deposit.

**#2** =After that is completed, pay your final balance to our church. That amount may be paid with cash/check (*written to "Waterview church of Christ"*) and put in the box at the youth desk, or you can pay online with this QR code:

A week or so before camp you'll receive a camper info letter and packing list.

***NEW THIS YEAR-*** our youth will ride as a group to/from our church building, instead of individually as we've done lately because this location is further away.
