

# Retreat 2024

**When:** November 15-17

**Who:** 6-12 Grade students

**Where:** Camp Copass near Denton, TX

**Cost:** \$50, and is due with the shirt size on Nov. 3.

## **What do I need to do?**

- ⇒ Complete a Waterview Medical Release Form. If you've already completed one and no info has changed then you are ok. The form can be found through [www.waterview.org/youth](http://www.waterview.org/youth)
  - ⇒ If you don't use our online system for registration and payments, you will need to turn in the bottom portion of this page along with your payment by the deadline. Any checks need to be written to "Waterview church of Christ".
  - ⇒ Pack the following:
    - ◇ Bible\*, and a pen (we provide a notebook).
    - ◇ Clothes suitable for the weather with indoor and outdoor activities
    - ◇ Personal toiletries (remember a towel!)
    - ◇ Pillow, sleeping bag and/or other bedding for twin size mattresses.
    - ◇ If you need to bring any medication, you can give prescribed meds to Warren to make sure it is taken as needed. If your teen brings a small amount (only enough for the weekend) and can manage it on their own, they can have it in their possession. Medical staff will be onsite.
- \*Even though we do allow phones on this trip (unlike summer camp), students need to use paper Bibles, as we want students to keep phones away as much as possible and other groups will not have access.*
- ⇒ You'll receive a departure time closer to the event, but it will be somewhere *around* 6pm (eat dinner before!) on Friday, November 15. We plan to return Sunday morning when our church is getting out of worship, around 11:15am.

**Contact our Youth Minister, Warren Shepherd, if you have questions.**

Waterview church of Christ, (469) 853-1372, WarrenShep@gmail.com
