

Camp Ichthus 2025

When: July 6-11, 2025

Who: Students *entering* 7th -12th grades

Where: Camp Grady Spruce (Graford, TX) **UPDATE!**

Cost: \$285* and is due upon completion of your online registration.

*There is a \$20 online (Eventbrite) deposit per camper, but the balance is to be paid to Waterview.

Ask Warren about your final balance if you are using our multi-kid discount, our special visitor price, or if you need financial assistance. Our Elders and budget committee want everyone to be able to attend camp, so don't let it be a concern.

What do I need to do?

⇒ Complete a Waterview Medical Release Form. If you already completed one and no info changed you are good. The form can be found through www.waterview.org/youth

⇒ Complete the 2-step registration by...

#1 =Go to www.waterview.org/youth and look for the Camp Ichthus write up. In that Ichthus section you will see a link that says "To register a CAMPER click here" which will take you to Eventbrite where you will enter the camper(s) information and pay their \$20 deposit.

#2 =After that is completed, pay your final balance to our church. That amount may be paid with cash/check (*written to "Waterview church of Christ"*) and put in the box at the youth desk, or you can pay online with this QR code:

A week or two before camp you'll receive a camper info letter and packing list.

MARCH 20 UPDATE- There was an unexpected change, as the facility we planned to use closed, so camp will now be at a different site. There are a lot of great benefits to this new location, but it will be further away. Because of that, we will once again take Waterview campers to/from camp in a bus and Warren will send you additional details later about the drop-off and pick-up times.

Contact our Youth Minister, Warren Shepherd if you have questions
Waterview church of Christ, (469) 853-1372, WarrenShep@gmail.com

Registration ends June 15
