

MISSION FUNDS REQUEST FORM

Thank you for your interest in spreading the Good News throughout the world. Our congregation is proud of its long history supporting missionaries across the world. The primary focus of the Missions Committee is to plan, oversee, and manage the mission efforts (both foreign and domestic) of the Waterview Church of Christ.

We are always open to hear new ideas for mission work that we can support.

Examples include:

- Missionaries in the field or living in their home country where they are a minister in the local Church of Christ
- Organizations that support congregations with resources or training materials
- Organizations that place missionaries in working locations around the world
- Organizations that train missionaries with the goal of going into the field

Examples of mission work activities Waterview would typically NOT support include:

- Land or building purchases
- Medical missions where the primary purpose is medical care and not evangelism
- Charitable organization where benevolence is the primary goal

Please note that not all fund requests will be able to be met. It is the committee's responsibility to evaluate each opportunity separately and determine if it fits within the objectives of Waterview's Mission philosophy and our available financial resources. Financial commitments do not extend beyond 1 year at a time. For consideration to receive funding, please fill out the form on the back and email it to Missions@waterview.org.

In Him,

Therefore go and make disciples of all nations, baptizing in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always to the very end of the age. -Matthew 28:19-20
